

16 Years, Shows, Curtain Calls

U-Prep's spring musical review, "16 Years, 16 Shows, 16 Curtain Calls" opened to rave reviews on Friday, April 23rd, for three shows at the Redding School of the Arts outdoor theater. Despite a bit of rain on Saturday afternoon, the shows went off without a hitch. There were smiles and tears as 20 of our Seniors were honored for a final time on stage. The performers were grateful to have this opportunity to perform for a limited live audience and many more throughout the country via a live stream of the show. The U-Prep Musical Foundation and the Visual and Performing Arts department wish to thank everyone who supported this production and helped make it a success.

DATES TO REMEMBER

Apr. 23-May 22	Annual SCAC Art Competition
May 2	Dance Team to Roseville
May 3-14	AP Testing
May 3	Early Release Day/1:35 PM
May 8	Junior High National Science Bowl Competition - Virtual
May 10	Athletic Boosters Meeting
	Early Release Day/1:35 PM
May 11	Choir & Band Concert
May 12	Staff & Student COVID Testing
May 17	Early Release Day/1:35 PM
	Music Boosters Meeting
May 18	Senior Breakfast & Awards
May 21	Day on the Green
May 22	Strings Concert
	High School National Science Bowl Competition
May 24	Early Release Day/1:35 PM
	8th Grade Graduation Practice
May 25-27	Final Exam Schedule
May 25	7th Grade to Viking Skate
	8th Grade to Waterworks
May 26	6th Grade to Viking Skate
	Student & Staff COVID Testing
	8th Grade Graduation Practice
May 27	6th/7th Grades to Waterworks
	HS Graduation Practice
May 28	Graduation Day

8th Grade Students to the East Coast ~ 2021

It's not too late to sign up for the 8th grade East Coast trip! The dates are June 5-11th. Please email sbright@suhsd.net if you have questions.

- ◆ Dutch Bros fundraiser.... Sat May 1st 10am-1pm at Eureka Way Dutch.... Sober Grad earns \$1 from every drink sold.
- ◆ Donate your spare change to Sober Grad at the "Fill the Grad Cap" during after-school pick-up on Monday, May 10th.
- ◆ Sober Grad raffle basket tickets available via up-repsg@gmail.com. Drawing to be held on May 8th. Baskets can be seen on the UPrep.2021 pages either IG or FB.
- ◆ We need parents of underclassmen to "Pay It Forward" and volunteer for a shift during the Sober Grad Nite Event. Sign up via the Sober Grad Sign-Up Genius page or email uprepsg@gmail.com for more info.
- ◆ Sober Grad is currently requesting new boxers for Grad Night.... The more colorful and wacky the better.... Donation receptacle is in the U-Prep Front Office.

Mission & Vision

University Preparatory School is an educational community invested in developing confident, capable, and compassionate citizens; its mission to immerse all students "in rigorous academics and meaningful extra-curricular activities" is supported by a collaborative and close-knit community of staff, students and parents and is based upon educational research and professional experience. The faculty and staff work together to provide students with many opportunities to excel academically and develop their potential as educated leaders and citizens in the 21st century through a rich and varied extra-curricular program. This vision is supported by offering a seven- period day to students from grades 6 through 12 so that they may pursue academic interests, such as studying multiple world languages or continue their development in the arts, including dance, drama, art, and music. The objective of this mission is to enable all students to become self-motivated, competent, and lifelong learners.

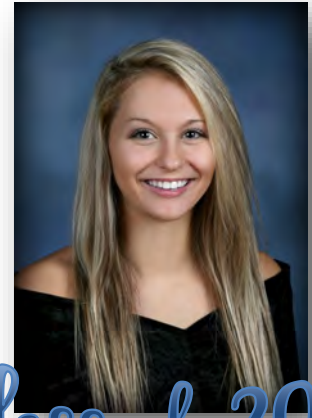

ALUMNI PRIDE!

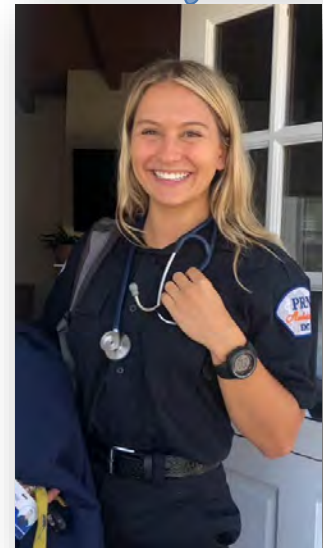

McConnell Foundation News

Congratulations to McConnell Scholar Liz Ziola, who just received the great honor of being selected as a UC President's Lindau Nobel Laureate Meetings Fellow! Liz will get to attend an invitation-only week of lectures and small seminars on medicine and physiology with Nobel laureates in Lindau, Germany. Liz graduated from University Preparatory School in 2017 and is currently in her senior year at University of California, Irvine, where she has been assisting with research on the brain, specifically neuroplasticity with the goal of helping stroke patients improve their lives. In addition to school and the lab, Liz works as an EMT in Orange County, which she describes as "gross, gory, and super-cool!"

Well done, Liz – you deserve this honor and a lot more!

Class of 2017

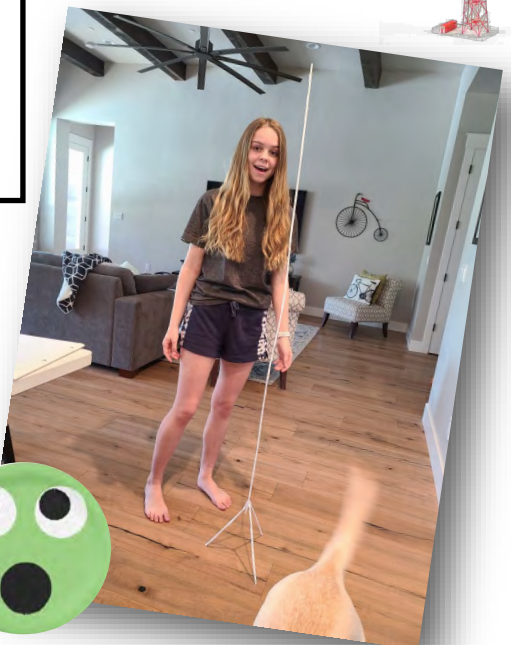

SCIENCE IN ACTION!

On April 1st, the day before Spring Break, students in physical science classes at U-Prep competed in the annual paper tower building contest. Students were attempting to build the highest freestanding tower by using a single sheet of printer paper and 50 centimeters of tape. In just 50 minutes, many students working either individually or in groups were able to build towers that were many times taller than the piece of paper they started out with. The overall winner junior, Olivia Crawford with a tower that was 175 centimeters tall (almost 5'9") which she built by herself while on Distance Learning. There were many other great towers in both high school and middle school. The tallest by 6th graders in Earth Science was a tower built by Wesley Anderson, Parks Weaver, Rielly Bennett, Alex Chavez, and Julian Turner at 128 cm and the tallest built by 8th graders in Physical Science was a 152 cm tall tower built by Camden Nash, Lyndsey Schuster, and Shayla Burton. Great job U-Prep Physical Science Students!

In the picture with masked, in-person learners. In the front from left to right: Tower height: 155cm Ian Mehr, Connor Davainis, Nikolai Orloff. In the back from left to right: Tower height: 134cm Madison Roemmich, Abbie Goss, Natalie Bickmore. And the distance one is of course Olivia Crawford with her winning tower at 175cm.

–Mr. Cory Poole, Math & Science Teacher,
High School Science Bowl Coach

Dance

The U-Prep Dance Team loved performing at the football home games, Senior Night was a night to remember. We are very proud of our seniors!

The Dance Team had their first competition in San Francisco on April 15th at the Celebrity Dance Competition. The team brought home numerous awards, including multiple high gold and platinum awards, many category winners, and a few overall awards. One of the team's numbers received the Celebrity Entertainment award for the entire competition and Lilli Moon received the Celebrity Spirit Award. The dance team travels to Sacramento on April 25th for their next competition.

JUST DANCE is happening!!! More details to follow, but it will be held the week of May 19th! The U-Prep Dance Department has been hopeful to be able to put on a show, and it looks like it will finally happen. Over 130 dance students have choreography and costumes ready to go! Watch for more information to be released very soon!

 Peter Rundle
 Chloe Bainbridge
 Abigail Goss

A date for our spring concert has been set! We are looking forward to an evening concert this semester being produced under COVID-19 guidelines, on Saturday, May 22nd in the beautiful Marr Auditorium!

In years past, students attended the entire concert to give support to their fellow musicians. This year, students and parents will likely attend only their own segment of the concert. Concert wear will be less formal with "nice school wear" being requested.

Concert attendance and performance has always been an integral part of performance classes, but this year parents may excuse their child from the concert by emailing Mrs. Elizabeth Johnson, ejohnson@suhsd.net, prior to the concert.

MUSIC DEPT. NEWS

The U-Prep Music Department has experienced a year like no other. This pandemic has famously altered the lives of our students in countless ways, but the impact on our student musicians is hard to put into words. Practice restrictions, quarantines, smoke, fog, wind, rain, snow... if this was some twisted version of bingo, we would have a blackout by now. And yet, we have witnessed something very special. Through all of the hardship and pain, we have accomplished what was unthinkable at the beginning of the year. We are still here, and we are putting on a concert.

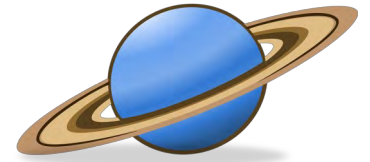

Like the virus, our plans continue to evolve, but what we can confirm is that the Bands and Choirs will be performing at the U-Prep football field on the evening of Tuesday, May 11th. Bands will perform at 7 PM and Choirs will perform at 8:30 PM. Our Strings have their concert planned for Saturday, May 22nd in the Marr Theater. More details will be forthcoming regarding viewing options, and seating arrangements. In the meantime, we will continue to prepare diligently. As long as the universe allows us, we will put on a show worthy of your memory.

CHEER/STUNT!

U-Prep Cheer ended their football season with Senior Night on April 23rd. It was difficult to see this large group of seniors move on to their next step in life. Coach Adams noted that it had been such fun to work with this group of entertaining, energetic and dedicated individuals. Once a Panther, always a Panther! Yet, as one season closes, another continues. U-Prep Cheer will continue to cheer for basketball at home games in May and most of the team will be participating in Stunt.

Mark your calendars! Cheer tryouts will be in person May 17-19, 5:30 -7:00 PM. Cheer application packets will be available in the office next week or they can be obtained by emailing Mrs. Adams at jadams1@suhdsd.net. There is a virtual mandatory information meeting prior to tryouts on May 4th. Click the link to attend on May 4th @ 6:00 PM. [Cheer Meeting](#)

VARSITY BOYS SOCCER

PHOTO COURTESY OF DOUG WENHAM

The 2021 Varsity Boys soccer team began their year with high expectations. The team felt their prospects were good with seven returning seniors (plus two new recruits) playing alongside a strong supporting cast. Due to COVID-19 the season was pushed back several times, but the team kept their spirits and hopes up. Finally the day came and the season was approved! Day one of tryouts produced 24 players for an early 6:30 AM start. The team was fortunate to acquire two additional seniors due to the adjust sports seasons. When the season started the team took the field against last year's main rival, Anderson, who previously defeated U-Prep in three separate games by one goal. The U-Prep team decided to leave no doubt and took the first game of the season 5-1 setting a tone of "we are here to win". The combination of leadership and mentorship from the seniors shown towards the younger players created an effective collaboration for a winning team. They would as a team go on to be undefeated for the season, scoring an average of 3.5 goals per game. Two games were added at the end of their season vs. Division 1 opponents Chico and PV with U-Prep victorious. With a 5-2 dominating victory over Chico and then a 2-0 victory over a very physical PV team this year's team stepped into the history books as the only Boys soccer team in school history to ever beat both Chico and PV in the same year. It is a season to remember; one where the leadership of nine seniors guiding the younger players about what it takes to win at a high level. The future of U-Prep Boys soccer looks very bright.

TIME MANAGEMENT WORKSHEET**OVERVIEW**

The Time Management Worksheet helps students consider how they will allocate their time for a particular semester/trimester/quarter. Students should estimate hours spent in a 7-day week across the following four categories:

School

The Time Management Worksheet works best when students know the homework load expectations for all of their classes. If this information is not already available to students, we recommend asking every department to complete the worksheet titled "Maximum Homework Estimates" (page 3 of this document). On it, departments can list all classes offered along with the maximum amount of nightly homework students can expect. Page 4 offers an example.

Extracurriculars

This section allows students to capture the structured activities they do outside of school such as sports, theatre, debate, paid work, community service, religious school, outside tutoring, etc. Students should not feel obligated to add an activity to every available line.

Unstructured Time

This section offers a place to list daily activities such as eating, grooming, and chores, as well as time spent outside of school in the following three categories:

Playtime - Time spent doing activities that the student freely chooses to do, such as shooting hoops, playing the piano for fun, hanging out with friends, or reading a book. This does not include scheduled practices or lessons that are captured in the extracurriculars section.

Downtime - Time spent relaxing, reflecting, or just "being."

Family Time - Time when the whole family is engaged in an activity such as eating meals, playing games, hiking, watching a movie, or participating in public service.

Keep in mind that research shows kids need Playtime, Downtime, Family Time (PDF) every day for healthy development. Check out PDF for Teens for tips on how to build more PDF into your week.

Sleep

According to experts, to lead healthy, balanced lives, high school students need 8-10 hours of sleep per night, and middle school students need 9-11 hours. We have pre-populated this worksheet with 9 hours per night. If a student's schedule does not allow for the recommended amount of sleep on most nights, students should consider adjusting their daily or weekly commitments to prioritize sleep.

CHALLENGE SUCCESS

TIME MANAGEMENT WORKSHEET

Estimate the time you spend engaged in these activities during a typical 7-day week

SCHOOL

TOTAL WEEKLY HOURS: ____

In class time (e.g., 5 days x 7 hours = 35 hours)

**NCDS & RDA4U TEAM UP TO
INCREASE OPPORTUNITIES FOR
DENTAL ASSISTANT TRAINING
IN THE NORTH STATE!**

NORTHERN CALIFORNIA DENTAL SOCIETY WILL OFFER 10 SCHOLARSHIPS FOR ACCELERATED DA TRAINING PROGRAM STARTING SUMMER 2021

This six-month program is designed for people interested in a career in the dental field, but don't yet have any knowledge or experience of the profession. Total cost estimated at \$4,000; successful applicants will receive \$2,000 toward that total cost.

TRAINING WILL INCLUDE:

- Infection Control Certification
- Basic Chairside Assisting
- Dental Radiation Safety License
- Dental Materials
- Knowledge and Skills to Obtain an Entry Level Position

The didactic portion of the class will be a combination of pre-recorded podcast videos, worksheets, quizzes and exams to ensure the student has understood the material. Students will meet with instructors via Zoom once a week to review the course content and answer questions. In-person classes will be held once a month at a dental facility for hands-on lab and clinical instruction.

After completion of this course, students will need 15 months work experience and a certification in coronal polish to be eligible to take the CA Registered Dental Assistant certification examination.

For a student application, please contact Carol Badgley at ncdsociety@outlook.com or call 530.527.6764 or visit NCDSONline.org.
