

PANTHER PRIDE

ROCHELLE ANGLEY, SUPERINTENDENT/PRINCIPAL

Hello Panther Families and happy spring!

It's official! The weather is beginning to warm up, the rain looks to be on its way out and the term, "makeup game" seems to be part of our everyday conversation on campus. Spring also signals the return of annual events and field trips; the sophomore class always enjoys the trip to Oregon where students and chaperones are able to take in Shakespearean plays, hikes in the mountains surrounding Ashland and a tour of the beautiful Southern Oregon Campus; U-Prep strings & percussion teacher Elizabeth Johnson led her students on the 2nd annual excursion to Santa Cruz for end of the year team building and bonding; band & choir teacher Brad Fowers accompanied his students to Disneyland; there were also trips to Shasta Caverns for the Math & Science Club and Mathcounts Club traveled to University of the Pacific for competition. U-Prep is so fortunate to be able to provide opportunities for our students to experience other locales outside Shasta County!

Speaking of competition, the incredibly successful U-Prep Science Bowl team is so honored to have yet another opportunity to compete in the National Science Bowl Tournament in Washington, D.C. at the end of the month. Both our junior high team (led by science teacher Morgan Peck) and our high school team (led by science teachers Cory Poole and Matt Love) are entered into this prestigious event. We are so very proud of them and wish them the best of luck. The entire campus will be cheering them on. The U-Prep staff is bursting with Panther Pride for all of our students accomplishments! Moving on to May, we are preparing to be immersed in end of year activities for the junior high and of course, it is graduation season. We treasure our graduation traditions here at the U and are always overjoyed at the prospect of sharing the experience with yet another graduating class.

Until then, we hope you enjoy this issue filled with outstanding students, sterling staff, and lively events!

Sincerely,

Rochelle Angley

Mission & Vision

University Preparatory School is an educational community invested in developing confident, capable, and compassionate citizens; its mission to immerse all students "in rigorous academics and meaningful extra-curricular activities" is supported by a collaborative and close-knit community of staff, students and parents and is based upon educational research and professional experience. The faculty and staff work together to provide students with many opportunities to excel academically and develop their potential as educated leaders and citizens in the 21st century through a rich and varied extra-curricular program. This vision is supported by offering a seven- period day to students from grades 6 through 12 so that they may pursue academic interests, such as studying multiple world languages or continue their development in the arts, including dance, drama, art, and music. The objective of this mission is to enable all students to become self-motivated, competent, and lifelong learners.

2023 Gatsby Party

This year's always popular junior year Gatsby Party almost didn't happen, but thanks to several student leaders who stepped up and took charge, it turned into a roaring success! It was a team effort led by Lexi Davainis and Lucia Rainsford...and this year's party wasn't just about delicious food and card games! Students who unfortunately missed other milestones due to the pandemic got a much needed win with the opportunity to bond with their classmates and rally around iconic literature (The Great Gatsby). It was raining and a typical full and busy day on the U-Prep campus, but thanks to faculty and student leadership, the junior class enjoyed a day to bond and revel in each other's company in a lighthearted way!

Odyssey of the Mind[®]

U-Prep is proud to report that its three teams did AMAZING in the State tournament in Brentwood. U-Prep took home 1st, 3rd, and 4th place! Teams that earned 1st, 2nd, or 3rd are invited to move on to the World competition. Teams solved different problems in different divisions so they are not competing against each other. Odyssey teams are not allowed any outside assistance to write their scripts, construct their sets, or come up with costumes (or anything else they might need). They also have a very small budget to work with so they have to be very resourceful.

The high school team consisting of Ben Cusworth, Riley Martin, Libby Oliver, Jaydie Brabec, Kara Gurley, Violet Lauerman, and Noah Humphrey took **FIRST PLACE!** The high school team consisting of Hazel Pearce, Hollie Miller, Luke Bird, Luke Turner, Alex Ford, Nathan Hart, and Joshua Lund took **FOURTH PLACE!**

The junior high team consisting of Nathan Littau, Emma Audette, Ava Briscoe, Molly Gurley, Taylor Liubakka, and Laila Carter took **THIRD PLACE!**

The World Competition is at Michigan State University on May 24-27.

DANCE!

U-Prep Dance Team had a great competition this past month in Sacramento. They competed against many Northern California dance studios, and brought home numerous awards including 7 Elite Top First adjudications, 5 overall awards, and 2 judges choice awards. The Dance Team is looking forward to their next competition on April 22nd in Sacramento.

The Dance Department had a wonderful Just Dance performance last month, bringing in their biggest audiences ever! Thank you for your support of over 100 dancers at U-Prep. Up next for the dance department is the end of the year Spring Showcase held on May 17th in the Hoosier Gym.

CHAMBER & SYMPHONIC ORCHESTRA

U-Prep Chamber and Symphonic orchestras traveled to Shasta College for an adjudicated festival. Chamber brought home a Superior and Symphonic earned an Excellent. Symphonic is already focused on reaching a Superior next year!

JUNIOR HIGH STUDENT GOVERNMENT

The junior high dance and game night was a great way to end an energetic and fun filled spring spirit week! Students sang, danced, enjoyed Italian sodas and played various board games throughout the evening. The Panther spirit was amazing!

2023 Panthera Yearbook Milestones

Like so many U-Prep programs, the 2023 Panthera Yearbook staff aimed higher than ever before, and found success. Here are a few interesting facts about the 2023 Panthera:

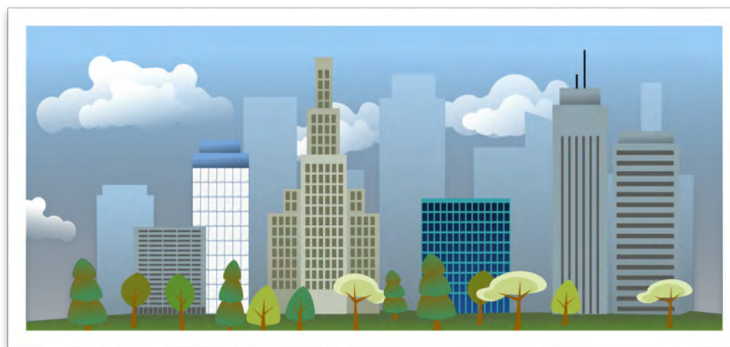

- ⇒ It is the first to feature a partial plexiglass cover--which required much stricter publishing deadlines
- ⇒ It is 32 pages longer than any previous edition
- ⇒ It features a dedicated sports recap section for Fall and Winter Sports
- ⇒ It is the first book to have comprehensive Spring Sports coverage--normally impossible with publishing deadlines, but this year accomplished via a separate Spring Sports insert
- ⇒ It features nearly 80% of the student body in the book 3 times or more
- ⇒ The Panthera staff met or exceeded every single publishing deadline (beginning back in late November), to ensure on-time delivery

There are currently still about 100 copies remaining for sale in the ASB office! Last year we sold out, so act now to grab this milestone-filled edition! Here is a teaser divider page from our Sports Section--wait till you see the rest!

EAST COAST TRIP

The 2023 8th grade East Coast trip is looking to be the best yet! We currently have 45 people signed up and looking for more travelers to come along and learn about amazing historical places. Trip dates are June 4-10, 2023. Any questions about signing up for the trip can be emailed to Mrs. Bright at sbright@suhsd.net.
