

# PANTHER PRIDE

ROCHELLE ANGLEY, SUPERINTENDENT/PRINCIPAL

Dear U-Prep Families,

At the beginning of May it was hard to imagine another school year coming to close alongside two more graduating classes, yet here we are, now looking forward to the fourth of July! We could not be more proud of graduates, both 8th grade and seniors. We wish them the best of luck with all their future endeavors. On the following page you will find this year's list of college acceptances.

Speaking of pride, I would like to take this opportunity to thank our entire staff for another successful year! It is always a pleasure to take time to reflect on all the joys and challenges of the past year.

This year U-Prep experienced unprecedented success in so many areas; the performing arts had record attendance at their events, our Science Bowl and Odyssey of the Mind teams flourished yet again (more on page 4), and all U-Prep sports teams proved to be outstanding in their fields (pun intended). There is so much more to add, but we will let the Newsletter pages show you the receipts!

Finally, I would like to recognize our ASB (Associated Student Body/Student Government) students and their advisors, Mrs. Jaspal Gaddy (junior high) and Mrs. Robyn Johnson (high school) for all of their efforts in creating a fun and spirit filled atmosphere for our students. The U-Prep culture is something to behold!

I wish our families the best for a restful and fun-packed summer! We look forward to seeing all of you in August!

Sincerely,

*Rochelle Angley*

Superintendent/Principal

## Mission & Vision

University Preparatory School is an educational community invested in developing confident, capable, and compassionate citizens; its mission to immerse all students "in rigorous academics and meaningful extra-curricular activities" is supported by a collaborative and close-knit community of staff, students and parents and is based upon educational research and professional experience. The faculty and staff work together to provide students with many opportunities to excel academically and develop their potential as educated leaders and citizens in the 21st century through a rich and varied extra-curricular program. This vision is supported by offering a seven- period day to students from grades 6 through 12 so that they may pursue academic interests, such as studying multiple world languages or continue their development in the arts, including dance, drama, art, and music. The objective of this mission is to enable all students to become self-motivated, competent, and lifelong learners.

ROW 4: Isaiah Walters, Taryn Villano, Luke Turner

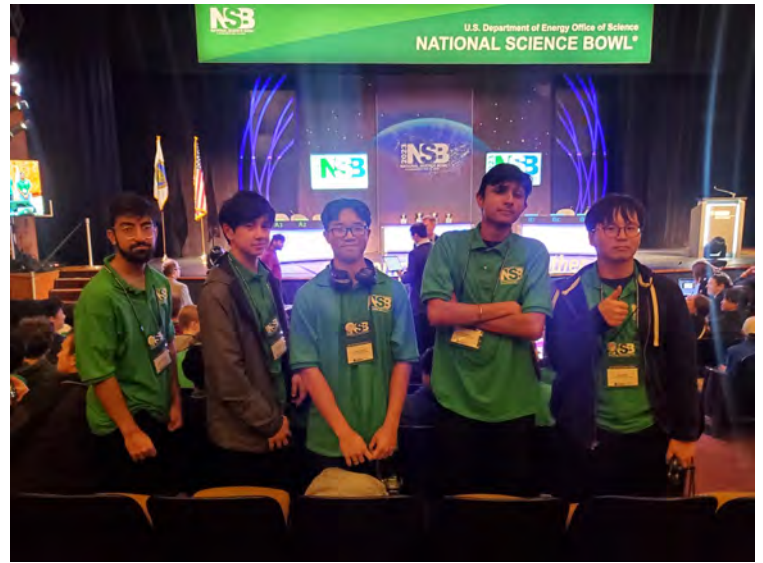

# SCIENCE BOWL

This Spring our Science Bowl team went to Washington D.C. for the National Science Bowl Tournament.

The Tournament is held over 2 days and there were 47 Regional Science Bowl Teams Champions in the Middle School division. We came in representing the FarNorCal region (the top 10 counties of California) and **our middle school team broke a school record on day 1!** Not only did they make it through the Round Robin rounds to make the top 32, they also made it 4 rounds deep into the Double Elimination Tournament to make the top 16.

Special congratulations to our Middle School Team

Joshua Kim, Nathan McCormick, Matthew McCormick, Benjamin Twombly and Chales Li!

## IN THE SPOTLIGHT

Each year, the West Redding Rotary recognizes an outstanding freshman from each of the area highschools. Their purpose is to provide a positive and encouraging award to a freshman who has excelled academically, through extracurricular activities, sports, student government or through volunteering in the community. It is a privilege to announce U-Prep's Freshman of the Year from a phenomenal pool of nominees!!! This is a great class with many deserving students!

Congratulations Jack Amp!!!!

More than 60 students were honored at the All-Star breakfast, recognizing students with superior academics, outstanding citizenship and service to their school. Maddox Morin was chosen as this year's Shasta County Student All Star from UPrep. We are so proud!

## VISUAL AND PERFORMING ARTS

# VAPA

**BRAD FOWERS - DEPARTMENT CHAIR, BAND & CHOIR**

**ELIZABETH JOHNSON - PERCUSSION & STRINGS**

**MARISSA KINNEAVY - DANCE**

**LURA WILHELM - VISUAL ARTS**

**ROMNEY CLEMENTS - MUSICAL DIRECTOR**

# DANCE TEAM

The UPrep Dance Team finished off their competitive season this past weekend in Hayward. At this competition, they competed at the highest level against very large dance studios from the Bay Area. They brought home a couple category winners, 2 overall awards, a special Judge's Choice Award, and an Excellence in Choreography Award. It was a great way to finish their season.

## CHAMBER & SYMPHONIC ORCHESTRA

Do you have a sixth grader who took a year or two of strings through our local elementary schools (or are they a beginner looking to get started)? Did you know that UPrep has a full strings program that spans four levels across all seven grades? Beyond UPrep's string program that teaches technique and repertoire, musicians participate in concerts and competitive festivals throughout the year including a bi-annual weekend trip to the Bay Area. Instruments are available for use by all students and it is free. Email Mrs. Johnson at [ejohnson@suhsd.net](mailto:ejohnson@suhsd.net) for more information.

## DRUM CORP

Due to high demand, UPrep will be offering two levels of Drum Corps this year! Look for us at football games and rallies! Do you have a new 6th grader entering UPrep this fall? Most 6th graders are enrolled in "Rota," our 6th grade electives sampler that they will rotate through every nine weeks. One of those rotations is Music Appreciation and here is what your sixth grader can expect:

- overview of the physics and biology of sound and music
- introduction to musical symbols and music reading
- rhythm instruction including playing on our drum corps set of drums
- music history and its related cultural influences.
- two weeks of introduction to violin viola, cell, bass
- choral introduction
- and a little bit of dance!

# 7th GRADE MEDIEVAL DAY

A most royal gathering to celebrate our study of Medieval European history took place right here at our own University Preparatory School Manor! Our seventh grade noble knights and fair ladies participated in jousting, archery, beadwork, face painting, and the fine art of mastering the quintain. Further, all members of the royal court received instruction from Sir Michael Taylor, one of our kingdom's finest jugglers! Thank you to all the parents and volunteers for making this a fun and memorable experience!

# 6TH GRADE CIVILIZATION DAY

Our 6th grade classes had a great time celebrating everything they've learned about ancient civilizations this year! The Ancient Civilizations from prehistory to Rome were visited in this fun and interactive day. A special thank you to our amazing families and volunteers who helped make this an amazing experience for our students!

# SPRING CAMPS

Football held its first youth football camp on June 13th hosting over 45 kids from grades 1-6

Volleyball had a fantastic week at their first camp of the Summer, hosting coaches from Gold Medal Squared

Boys Basketball had a great time at their Spring Camp!

# SEPA GREECE TRIP

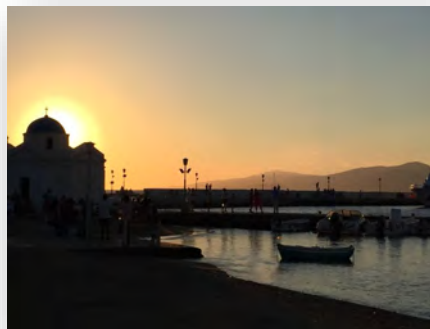

Are you looking for an adventure of a lifetime that combines history, mythology, and stunning island scenery? Look no further than our student travel trip to Athens, Mykonos, Delphi, Patmos, and Santorini in June of 2024! This trip is designed specifically for students who want to explore Greece's rich cultural heritage while creating unforgettable memories with their peers. From the iconic landmarks of Athens to the picturesque beaches of Mykonos, our itinerary is packed with exciting activities and adventures. We'll visit the Temple of Olympian Zeus, explore the ancient city of Delphi, and soak up the sun on the beautiful island of Santorini. We'll also discover the fascinating history of Patmos, home to the Cave of the Apocalypse and the fortified Monastery of Saint John. Whether you're interested in history, mythology, or just soaking up the Mediterranean sun, this trip has something for everyone.

Don't miss this opportunity to explore Greece with your fellow students and create memories that will last a lifetime.

Check out the link for more information or see Mrs. Isheim in room 135

# BASEBALL 4 ALL

Baseball 4 All introduces America's pastime to Shasta County students. UPrep baseball was proud to participate in Baseball 4 All, helping to bring the sport's spirit to students with disabilities.

# NAIL THE RAIL

On Saturday, April 29, members of the UPrep XC teams volunteered at the Nail the Rail 10K and Half Marathon. It was a beautiful day and many familiar faces were out there running on our amazing local Rail Trail. Great job to all the runners and volunteers at this great event!!

# SENIORS

The junior class decorated about 60 tables for the senior class and their families. This was the largest senior breakfast, serving 122 seniors and their parents and guests for a total of approximately 360 people.

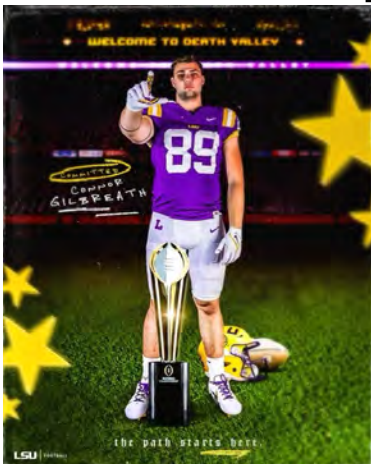

## *Congratulations* CLASS OF 2023

Senior Sunset at Shasta Dam

# ALUMNI

Class of 2022 Alumni Connor Gilbreath announced his commitment to the LSU Tigers. After graduation from UPrep, Connor was a standout at Butte College and received multiple offers to play at a higher level. His Panther family cannot wait to cheer him on!

Class of 2019 Alumni Aiden McFadden lead the research team at Etalon in discovering a mutation that affects many different horse breeds and will help change the trajectory of equestrian genetic testing.

PANTHERS

# ATHLETICS

## CONGRATULATIONS U-PREP ATHLETES & COACHES!

The 2023 athletic year ended with a very successful spring season! Our spring season saw Emma Gaddy emerge as the most dominant female track athlete in the Northern Section. Gaddy won individual titles at the section finals in the 200 and 400 meters, broke the school record in the 200, and was awarded the female athlete of the meet at the Northern Section Finals. Other highlights of the track season included Eddie Chavez winning the division two shot put title and Noah Gaido, Seth Austin, and Noah Gaddy placing 2nd, 3rd, and 4th in the 1600m at the division two finals. Austin also took 2nd place in the 3200m finals.

On the diamond, our baseball and softball teams both had historic seasons. In softball, the varsity girls set a school record for most wins in a season with 26 wins, made an appearance in their first ever Northern Section title game, and advanced to the second round of the Northern California Division 4 softball playoffs, earning the #1 seed in their bracket. In addition to our team success, many of our individuals were recognized for their individual play throughout the season. Pitcher Gracie Hornbuckle earned 1st team all-section and the NAL Most Valuable Pitcher award. Kaitlyn Cabral, Leigha Wood, and Madi Rubacalva all earned second team all section as well as all league in the Northern Athletic League. Hailey Pebley earned honorable mention all-league.

Our varsity baseball team captured their first NAL baseball title, and first league championship since 2014. In addition to the league championship, baseball appeared in their first ever section title game. Four seniors earned all-league recognition for their part in their team success. Aaron Wood, Cody Wrathall, Mason Cassingham, and Mason Miyamoto earned all-league, while Colton Kinneavy was named honorable mention.

Boys golf had another great year, winning the NAL. After a great performance by the team at the division two finals, Isaac Lipman and Finn Christopher moved on to the Masters tournament at Grizzly Ranch. Christopher carded an 84 and Lipman an 85 at the finals.

Boys tennis added to our successful spring with an NAL league title, and an appearance in the division two section finals. In the NAL individual finals William Holley won singles, and was named MVP. He beat Graham McKellar in the finals. In doubles, William Holley and Grant Kopania beat Ian Hancock and Graham McKellar. William Holley, Grant Kopania, Graham McKellar, Ian Hancock, and Sean Kim all earned all-league honors.

STUNT also had its best season in their short history as a CIF sport. The team finished 6-2 on the season. With 33 players and is by far the biggest team we've fielded. The STUNT team is graduating just four seniors and looking forward to next season and building on the success they experienced this season.

# ATHLETICS

## STUNT!

UPrep's STUNT team participated in the last contest of their season on April 27th. They played Redding Christian and clinched their victory with a 17-6 win.

This super talented team had their best season yet, ending with a 6-2 record, winning over every team, except Shasta. This team has big expectations next year!

Congratulations to this amazing team!

## JH TRACK

Track had 73 athletes. We won league in all grades and genders. Jaycee Horst broke the 7th grade shot put record, twice. Jackson Kersten tied the 7th grade high jump record. Coaches Michelle Johnson, Jaspal Gaddy, and Alan Lefler. So happy with the season and look forward to next year.

## Shasta County FREE SUMMER MEALS

School Districts are pleased to offer free meals to all children 18 years and under at the following locations. All locations provide daily meals, see location for serving times. All meals must be eaten on site.
