Fall College Trip

We had 33 Juniors attend the Fall College Trip where they toured the campuses of CSU Chico, UC Davis and William Jessup University.

The SEPA club's trip to London and Paris this past June was a unique blend of history, art, and cultural immersion that left an indelible mark on our young explorers.

In London, our students were captivated by the majestic Westminster Abbey, where they learned about the rich history of British royalty and the significance of this iconic landmark, and had the opportunity to take in the Evening Song. Absolutely breath taking sights and sounds. In Paris, the Palace of Versailles became the backdrop for an engaging student-led reenactment, bringing history to life in a way that textbooks cannot. At the Louvre, we gazed upon some of the greatest pieces of history including the Mona Lisa, Venice de Milo and Winged Victory not to mention the 71-foot glass pyramid. Our budding artists had the privilege of taking art lessons, nurturing their creativity and appreciation for art. Ascending the Eiffel Tower provided breathtaking views of the City of Light, and our cruise down the Seine River offered a tranquil and picturesque perspective of Paris.

"One's destination is never a place, but a new way of seeing things." Henry Miller.

Freshman Trip

This year the freshman trip switched from "Camping" to "Glamping!" On Monday they arrived at "The Summit" and quickly got into competitions that helped build class comradery. From toilet paper mummies, to the human knot and human machine the students had to work together often with students they don't always get to hang out with. Even though rain threatened to undo our outdoor movie night, the staff of The Summit jumped into action clearing out their restaurant area and creating an indoor movie theater just for us... They even brought in a popcorn machine and made popcorn for everyone!.

Day two of the Freshman Trip saw students getting a chance to do some academic activities ranging from GPS tracking, outdoor poetry writing and even an interactive trading activity. Students also had a chance to hike around the beautiful 251 acres of property and even ran into some of the local wildlife (a swarm of bees). Saved from the bees by the courageous efforts of Mr. Lefler students had the chance to enjoy free time where they could hang out with friends in the Rec Hall, play ping-pong, foosball, basketball and pickleball. Others took time to lounge on the beach by the lake or take the canoes out. Day two culminated with the students having the opportunity to collaborate with their classmates and demonstrate their creativity through presentation of their student-written, directed, and performed skits which of course made fun of their teachers!

One could easily say that the trip was a success, but the most telling statement came from a freshman who simply said "Ah man... I don't wanna go home... Can we please stay another day?" On this year's trip students and teachers alike had the chance to bond and truly become the class of 2027.

8TH GRADE DC TRIP

There's still room to join this year's trip! We currently have 45 people signed up and looking for more travelers to come along and learn about amazing historical places. Trip dates are June 2-8, 2024. Our last information meeting for those interested in signing up will be on Tuesday, September 12th at 6pm in room 124 (Mrs. Bright's room). Any questions about signing up for the trip can be emailed to Mrs. Bright at sbright@suhsd.net.

CHEER

UPrep Cheer has been busy this season, not only cheering on their football teams, but also prepping for their CIF competition season. This has been the most spirited season ever, and the team has enjoyed joining in with the rage cage themed nights! We are so excited to perform with the Dance Team and the JH Cheer team at Homecoming!
