U-PREP ANNUAL AUCTION & DINNER

You Had Me at Aloha

We are excited to share that U-Prep is holding its Annual Auction & Dinner on Saturday, October 14 at the Elks Club, 5:30pm! The Educational Foundation exists to raise funds for educational needs, physical improvements and program enhancements of University Preparatory School through the collaboration of parents, educators and the community. Significant projects, such as Club 299/Media Center and the school marquee, were completed thanks to the efforts of the school community, the Educational Foundation included. Many other wonderful projects were made possible thanks to the Educational Foundation's contributions.

As partners in your child's education, we look forward to ALL families participating in one way or the other to help make our Educational Foundation an exceptional resource for our students and school. By purchasing a ticket OR making a donation of any amount, our community becomes a place where many hands make light work and students reap the rewards! Visit this website to make a donation or to purchase a ticket: <https://uprep.ejoinme.org/2017>.

Thank you for your continued support.

Assistant Principal Corner

Dear Panther Families,

We are off to a great start to the 2017-2018 school year! It has been a pleasure seeing your son/daughter these first few weeks of school reconnecting with friends, preparing for their classes, and sporting their royal and silver on game days. We would like to extend a special "Panther Welcome" to all of our students new to U-Prep this year, as well as the Class of 2024 ~ Welcome to U-Prep!!!

We would like to thank you for your patience as well as your support while dropping off and picking up your sons and daughters in the designated areas. Keeping our students safe is our number one priority! We are asking for your help in being good neighbors with our local businesses and as a friendly reminder, please do not park in their parking lots. Also, with our next door neighbor, Shasta High, please do not pick up in their parking lots after school. Your support is much appreciated.

College & Career Corner + Counseling News

By Ms. Haworth, Mr. Williams, & Mr. Maikranz

WEB

Eighth grade WEB (Where Everyone Belongs) leaders had the opportunity to put their leadership training in to action on August 8th! With help from Counselor Matt Williams, WEB leaders hosted an action-packed orientation for all incoming 6th graders. Students participated in assorted activities designed to familiarize them with their new campus and classmates before the start of school. A pizza dinner provided the finale for the fun-filled day!

Peer Tutors Needed

Our Panther Peer Tutoring Program is in need of 9th-12th grade students who would be willing to tutor after school. There are several benefits to becoming a Peer Tutor; (1) it provides experiences that may help with employment; (2) develops confidence and learning ability; (3) builds self-esteem; and, (4) creates a sense of pride in helping others. Becoming a tutor is a great opportunity to give back to the U-Prep community. Peer tutoring also shows a willingness to serve others, which is helpful to college and job applications. Contact Mr. Maikranz in the Student Support Services Center if you have questions about joining our Peer Tutoring Program team.

Junior Class Fall College Trip

On October 19th and 20th we will be taking our Fall College Trip Tour. 11th grade students will have the opportunity to visit CSU Chico, UC Davis, and UC Berkeley. If your student is interested in attending the Fall College Trip please contact Mr. Maikranz at jmaikranz@suhsd.net. Trip is limited to forty students.

Senior & Junior Parents

U-Prep experienced fantastic attendance at Senior Information Night on September 12th in the Marr Auditorium. Our next event, Financial Aid Night, presented by College Options, will be held on October 2 in the Marr Auditorium from 6:00-7:30pm. Please contact Student Support Services for more information.

Link Crew

Link Crew and ASB will be joining forces to host a Tailgate Party for High School Students.

On Friday, September 22nd 2:45-4:30 prior to the U-Prep vs Pierce High School Homecoming Football Game, Link Crew will be hosting a "tailgate party" for high school students. Like all great tailgate parties, there will be games of corn hole and can jam, BBQ hotdogs and awesome music.

DANCE TEAM

The U-Prep Dance Team attended a summer dance camp this past July at UCSC. Sixteen girls attended and had the opportunity to learn many exceptional routines. The team is very excited to perform these routines at rallies and halftimes during the school year. Five of our team members were awarded "Super Sensational Dancer", three of those five dancers went on to win "All American Dancer", receiving an invite to dance in the New Year's Day Parade. In London! Alyssa B. and Emily Q. made it to the top 10 (out of about 125 dancers), performing a solo in front of the whole camp. They danced beautifully and represented our school well. Emily Q. was asked to audition for a place in camp staff for next year. Finally, our team was awarded a "Superior" (the highest award) as well as an "Team Spirit Award". U-Prep dancers are off to a great start!

The Wizard of Oz

The 2017 U-Prep Fall musical is well underway! Follow Dorothy, Toto and their trusty (or rusty) sidekicks down the Yellow Brick Road to the David Marr Auditorium this November!

Based off the classic film, *The Wizard of Oz* finds Kansas farm girl Dorothy plucked from her small-town life and transported to a fantastical kingdom where magic and mischief lie around every bend in the road. Desperate for a way to return home, Dorothy is aided by a trio of unlikely friends: Scarecrow, Tin Man and a very cowardly Lion. Together they set off to find a powerful Wizard, while struggling to keep Dorothy, her dog Toto, and a pair of enchanted slippers out of the clutches of the Wicked Witch of the West.

Featuring the classic songs from the movie, *The Wizard of Oz* is a perfect experience for the whole family. Filled with magic and surprise, it will delight both Oz enthusiasts and those taking their first trip down the yellow brick road. The audience will find themselves surrounded by a small army of Munchkins, lost in a mysterious forest, and cowering in the presence of Oz himself.

Show dates and times are November 10th at 7:00PM, November 11th at 2:00PM and 7:00PM, November 17th at 7:00PM and November 18th at 2:00PM and 7:00PM. Tickets are \$7.00 for students and \$15.00 for adults. Call 530-245-2790 for more information.

ARENA 2017

U-Prep's annual Arena Days were held on August 8th and 9th this year in the Hoosier and Activity Gyms. 6th grade students attended an orientation during the day on the 8th, before meeting up with their parents in the Marr Auditorium. On both days families met at the Hoosier and Activity Gyms where they were able to purchase U-Prep swag, visit athletic and school sponsored tables, such as Odyssey of the Mind and Math Counts. Parent boosters groups were also on hand to answer questions. Families and staff enjoyed making new friends, seeing familiar faces and experiencing the camaraderie that indicates the return to school.

SEPA 2017 trip to Paris, Florence, and Rome

This year's trip to Europe was a huge success. We had students from U-Prep, Shasta, and Foothill come together and create amazing friendships and lasting memories. The trip began in Paris where we met our tour guide Matteo who stayed with us throughout our journey. He taught us about the history, art, and culture of each of the places we visited. We were able to see Paris, Milan, Firenze (Florence), Siena, San Gimignano, and Rome. In Paris, we visited the Palace of Versailles, the Eiffel Tower, the Louvre, Montmartre, cruised down the Seine, and experienced the local cuisines! In Milan we experienced the Sforza Castle, the amazing architecture of Galleria Vittorio Emanuele II, and practiced the local custom of spinning on the bull for good luck. We continued on to Firenze where we saw exquisite sculptures such as the David along with many other of Michelangelo's work. Our group even took turns taking pictures holding up the Leaning Tower of Pisa. Matteo then brought us to Siena where he explained the history behind the Palio di Siena only days before it took place. We finished our adventure in Rome soaking up the rich history it had to offer at the Colosseum and Roman Forum, the Pantheon, Sistine Chapel and so much more. Next year the SEPA club will be returning to Rome and then discovering Greece! If you are interested to know more contact Mrs. Isheim cisheim@sushd.net.

Reflections on a Successful 8th Grade East Coast Trip!

The annual 2017 8th grade East Coast trip was a total success. Mrs. Bright chaperoned a group of 40 people on a whirlwind trip that included DC, Philadelphia, and New York. We saw every monument, memorial, and major historical site that were within bus or walking distance of those cities. This year we were able to add in a tour of the New York Public Library, ride the Roosevelt Island Tram, visit the graves of the Hamilton family and visit the newest Calatrava designed World Trade Center Transportation Hub. Information on the 2018 trip will be handed out to the current 8th graders within the next month. The dates are June 3rd-9th. We will be holding a meeting for next year's trip September 20th at 6:00PM in room 124. For more information, email Shannon Bright at sbright@suhsd.net. It is a trip not to be missed. Fundraising and scholarships are still available through Worldstrides tour company.

China 2017

The Confucius Classroom at U-Prep, one of the 1,000 members of a global Chinese language and culture learning network, plays a leading role in Chinese language and culture learning in the North State. One strategy used to help our students become global citizens has been sending our students out of the country to embark on an eye-opening and life-changing international experience, in China. In the past 10 years, with funding sought from various sources, U-Prep has sponsored seven culture trips that had sent more than 200 students and parents to more than 20 cities in over half of China's 32 provinces.

The summer trip of 2017 was co-organized by the Confucius Classroom and the Cultural Connection Club. On this 3-week service learning trip happened in the first 3 weeks of July, fifteen high school students led by two teachers visited Beijing, Taicang and Dezhou and volunteered over 90 hours teaching local Chinese students English. In the three English summer camps, our students hosted sessions like "How to say it in American English", "Learn English words in a real situation", and "American Culture Q & A", covering a variety of American culture topics like American history, currency, music, geography, sports and holidays. Our students teamed up with their Chinese counterparts in groups and interacted in English while having fun together. Staying with host families also gave our students a rare chance to observe the daily lives of Chinese families.

Like the previous trips, the China trip 2017 proved to be another success. Feedback from Chinese students and families as well as American students and families were amazing. Many students felt that the international experience propelled them towards more acceptance and understanding of different cultural and community perspectives, enhanced their awareness, multi-faceted learning strategies, and improved their analytical and problem solving skills. Many students already started planning on their next summer trip to China.

Success Through Volunteering

U-PREP VOLUNTEER POLICY

Dear Parents,

For clarification purposes, school districts, schools, including charters, are not allowed to require "volunteer hours" or payment of a fee in lieu of performing volunteer hours as a condition of admission, enrollment, continued enrollment, sibling preference, attendance, participation in educational activities or receipt of credit or privileges related to educational activities (EC Section 49011c). However, U-Prep still requests – not requires – that parents perform 10 hours per school year as a means to strengthen school-community relations and assist in the development of school programs and services. Thank you for your continued support!
